Dear Sir

Will you be
 kind enough to answer me a
 few questions. I understand
 the quarters and halves of 1892
 have been called in from
 circulation is it true.
 And will you inform me
 if I can procure uncirculated
 coin of the Treasury at
 Washington. They are to be
 had from some source other
 than of. Coin Collection. and will
 you please give me the history of
 the Silver dollars of 1836-1838-1839
 why were they coined and who by
 as I see they were not coined by
 the Mint for circulation
